

COMMUNITY COUNCIL MINUTES

February 7, 2018

Attendance:

Mike Waters - **Chairman**
TJ Eskelson - **Parent**
Jennifer Olsen - **Parent**
Ariana Sears - **Teacher**
John Richards - **Teacher**
Lenn Ward – **Principal**

Welcome: Mike Waters

Mike Waters --Review minutes from last meeting: Minutes approved.

Reviewed School Progress Report

Approved LIA class \$200 for Hexbot Robotics kits to engage LIA students in their curriculum. Motion passed.

Reviewed School Progress Report

Goal 1. Students will show individual growth and progress in academic achievement in the core curriculum area. Our goal is 2-3 percent growth progress and 1-2 percent proficiency. We will focus on learner-centered problems (LCPs) which have been identified by collaborative teacher teams (CTTs) using SAGE data throughout the school as a means to track academic student growth. Our school wide PLCs will track all academic areas using a schoolwide EBIS (Evidence Based Instructional Strategy) of Feedback to help close student learning gaps.

Academic Area

- Reading
- Mathematics
- Writing
- Technology
- Science
- Fine Arts
- Social Studies
- Health
- Foreign Language

Action Plan Steps

Teachers will be given professional development time to enhance PLC (Professional Learning Communities) and to implement the school improvement plan. Our PLCs will continue to use data from assessments to modify and drive instruction which will enhance and support student learning through school EBIS

We will lower class size to help decrease student to teacher ratio. We will accomplish this by purchasing additional class periods depending on number of enrollment. \$45851

Our after school tutoring program will continue to help students in core content areas.

We will hire an additional student advocate to work with and assist/help struggling students in academics.

Use grad-path program for credit recovery to help students on track for graduation before going to high school.

Teachers will be given continued professional development to enhance PLC's, including conferences and workshops to instruct staff on strategies to address learner centered problems (LCP) to further enhance curriculum.

Trust-land will supply funding to provide student busing for modified school schedules. Up to 12 early outs will be added to the school calendar to promote professional development. \$8400

We will use professional development, including conferences and workshops, to instruct staff on strategies to address our identified learner-centered problems. (LCPs)

Faculty and staff will further participate in the Assessment to Achievement training with USOE.

Printing needs for our curriculum. \$500

General Supplies (Books and PLC workshop materials \$1600

Purchase software as needed for technology reasons. \$500

Total 56,851

Goal 2.

Provide improvement and growth of student centered technology in the classroom and increase opportunities for students to integrate, explore, or apply technology within their academic educational experience.

Action Plan Steps

We will update and improve technology as needed.

With input from teachers, future technology needs will increase.

Increase Chrome labs as needed.

Add Canvas. **\$8000**

Total \$64851

Carry Over \$3063

SCHOOL Improvement Plan 2018-19

2018-19 Estimate 631 students \$63908

Purchase additional class periods to reduce class sizes. Additional teacher training for teacher. Continue to have a student advocate. \$ 45851.

Busing for students using a modified bus schedule to support our PLC training. \$5400

Weber Online Credit Recovery \$2400

Printing Needs \$500

Books and PLC workshop materials \$1700

Purchase Software as needed for technology reasons \$500

Music Department instruments \$1000

Technology: Chromebook lease, hardware, Equipment, Access Points, security system \$7000

Total \$64,351

Carry Over \$2563

Total \$66914

Any extra money will be spent on technology.

Next Meeting will be March 7th at 4 pm to sign Trust-lands Report -Meeting adjourned.
