Reviewed minutes from October meeting – Mike Waters

Mr. Ward reviewed the activity for NO FUN party. Students attending the movie Wonder.

Shared information and data from the Minuteman Core class success. The Core class teachers received the E+ Team award at the district board meeting.

John Richards-school counselor gave an update on HOPE SQUAD. T.H. Bell has begun to implement our Hope Squad for the 2017-18 school year. Hope Squads are made up of students who were nominated by their peers as someone they can count on to help when they are having a personal crisis or feeling down. The Hope Squad receives monthly training in areas of Suicide Prevention and recognizing others who may be struggling with mental health issues.

Nichole Warren-Doman gave update on Laker Leap and shared with the success of APEX and Laker Leap credit recovery program that our numbers of 9th grade students on track to graduate continues to increase.
