POLICIES AND PROCEDURES

SCHOOL HOURS

Building hours: 7:30AM – 3:00PM

Students remaining in the building outside of these hours must be under the direct supervision of a staff member.

SCHOOL LUNCH POLICY

Students have the responsibility to conduct themselves in a respectful and orderly manner in the cafeteria. Misconduct may result in suspension of cafeteria privileges. **All food items purchased in the cafeteria must be consumed in the cafeteria.** Students must have their own identification and account number with them at all times. It is the

student’s and parent’s responsibility to check their lunch account balance to ensure that funds are available for them to eat lunch. Parents will be notified if their child’s account has a negative balance. Account balances are available at wsd.net at the Weber School District web site-click on **MyWeber**. Students are not allowed to have DoorDash or similar services deliver food to campus.

VISITORS AT SCHOOL

T.H. Bell Jr. High School is committed to the safety of our students. All adult visitors must check in at the front office. All staff members will wear identification badges. School age individuals not enrolled at T.H. Bell Jr. will not be allowed on campus during school hours. Any individual found on campus that has not checked in through the office and is not wearing an authorized visitor’s pass may be cited for trespassing.

BUS TRANSPORTATION

Weber School District bus drivers are not authorized to allow students to change buses or stop at unassigned stops. **Students not on the regular passenger list will not be permitted to ride the bus. This includes transporting students for the purpose of attending personal activities.** School conduct policy applies to students while riding buses, and violations of these policies may result in loss of bus privileges.

GRADING AND REPORT CARDS

Each teacher will provide students and parents with a disclosure statement at the beginning of the class which outlines course expectations. A midterm grade will be sent home to parents. Progress reports will be continually available online through the district’s information portal (PowerSchool). At the end of each term, students will receive a report card showing progress in each class.

CITIZENSHIP GRADES

A citizenship grade will accompany the academic grade each term. Citizenship grading guidelines have been established according to teacher expectations in order to achieve consistency among teachers as they evaluate students. The purpose of citizenship grading is

to teach and assess proper conduct and to keep parents informed. Citizenship grades evaluate classroom behavior as well as compliance to school rules, attendance, and class participation. Marks given for citizenship grade include: “H” (Honors), “S” (Satisfactory), “N” (Needs Improvement), and “U” (Unsatisfactory).

The following guidelines are used to assess student behavior and determine citizenship grades:

H

- Consistently is a positive influence on classroom behavior.
- Consistently shows respect to classmates, teachers, substitute teachers, guests, and school property.
- Consistently follows school rules (i.e. dress code, safe and drug free schools, etc.)
- Consistently brings materials to class each day.
- Consistently participates in class.

S

- Is a positive influence on classroom behavior.
- Shows respect to classmates, teachers, substitute teachers, guests, and school property.
- Follows school rules.
- Brings materials to class each day.
- Participates in class.

N

- Is disruptive in class.
- Shows disrespect to classmates, teachers, substitute teachers, guests, and school property.
- Violates school rules.
- Is consistently tardy to class (3 or more times per quarter).
- Comes to class unprepared and without materials.
- Truancy.
- Limited participation in class

U

- Consistently a disruptive influence in class.
- Consistently shows disrespect to classmates, teachers, substitute teachers, guests, and school property.
- Consistently violates school rules.
- Is habitually tardy to class (5 or more times per quarter).
- Multiple truanies.
- Does not participate in class.

FIELD TRIP POLICY

If a student is struggling academically, is frequently tardy, and/or is having significant behavioral issues they may not be eligible to go on field trips. Field trips provide opportunities to students they may not otherwise get, but it is important to understand that academic and behavioral success in the classroom are of the utmost importance.

Students would be eligible to attend a curricular field trip (Band/Choir, Science, etc.) with:

One: N, U or one of each

Two: N's

Not eligible with: Two U's or three N's or any total N's or U's above that.

If the field trip is an extracurricular field trip (German Club, FBLA, O-Tech, etc.) the citizenship requirements remain the same but a student also may not have more than two F's across their seven classes.

OFFICE GUIDELINES

Students may speak with an administrator or a counselor by coming to the counseling window and scheduling a conference. Students will then be called from class when the counselor or administrator is available. Students that have office business should come to the front office windows for assistance.

SCHOOL TELEPHONES

Office phones are for school business and student emergencies. Students and teachers will not be called to the phone during class. However, messages will be taken and delivered promptly. Please make prior arrangements for student transportation so the need for calling home is minimized.

ATTENDANCE

Parents should verify student absences with a phone call to the attendance secretary. If students need to leave campus during school hours, they must be checked out through the office by a legal guardian or their designee appearing on the emergency information record. Students returning to campus or arriving late during school hours will check in through the attendance office before going to class and obtain an admission slip to class. Students determined not to be where they are supposed to be at the time they are supposed to be there will be considered truant. After a student is truant three times they may be suspended from school. T.H. Bell is a **closed campus**. Students are not allowed to leave campus without their parent or guardian notifying the attendance office and

following student checkout procedures. Washington Terrace City's ordinance requires students found off campus to have documentation from the school verifying that they have checked out. If students do not have proper documentation they may be cited by law enforcement for violation of daytime curfew.

SICK ROOM

Parents should keep students home who are unable to be productive at school because of illness. Every effort will be made to contact parents when students become ill at school. Sick room facilities are available for students until their parents come and check them out through the attendance office.

VENDING MACHINES

Vending machines are available for student convenience during lunches. Vending machines may be turned off if students do not maintain the cleanliness of the school building and grounds. **The office will not provide change or be responsible for students who lose money in the vending machines.**

LOCKERS

Lockers will be assigned upon request, and students are responsible for them for the duration of the year. Students will not share the combination or the locker with anyone. Students will be charged \$5.00 for combination changes or locker reassignments. Lockers are provided for the convenience of students and are the property of Weber School District. Students vandalizing, writing graffiti, using adhesive that may damage the locker, or misusing their lockers will be assessed fines and/or may forfeit their locker privileges. Lockers are subject to periodic inspection and must be free from inappropriate pictures, graffiti, or controlled substances. T.H. Bell Jr. High School is not responsible for personal property placed in student lockers. **Do not keep valuables or large amounts of cash in your locker, and do not disclose your locker combination to anyone.**

HALL PASSES

Hall passes are required for students to be in the hall during class time. Students are allowed to use the hall pass four times per quarter per class. Students have five minutes between each class and are encouraged to use the restroom and get a drink on their way

to their next class. We value instructional time and want all students and teachers to be able to utilize that time to the fullest.

CHECK OUT PROCEDURE

T.H. Bell Jr. High School is a **closed campus**, requiring students to follow check out procedures any time during school hours. This includes lunch time. Washington Terrace City's ordinance requires students found off campus to have documentation from the school verifying that they have checked out. If students do not have proper documentation they may be cited by law enforcement for violation of daytime curfew.

TARDY POLICY

Students are expected to be on time to class. Students have 5 minutes in between classes. Teachers expect students to be present and prepared when the bell rings so that instruction can begin. Student's citizenship grade will be affected if students are tardy to class on a consistent (3 or more times per quarter= N) or habitual basis (5 or more times per quarter=U). Students may have a conference with a parent and an administrator if the student is habitually late to class. The student may be put on a contract if he/she continues to be tardy to class.

IMMUNIZATIONS

Students are required to meet all state immunization requirements. Diseases that can be prevented by immunizations are an unnecessary health hazard to the students in the classroom and the school. New students to the school will be required to show proof of compliance with up to date immunization records. If a student fails to show proof of compliance, then they may be excluded from attending. Students can work with the school nurse to determine if the minimal required doses have been met.

DIGITAL MEDIA DEVICE POLICY

The use of digital media devices (cell phones, Chromebooks, cameras, tablets, video game devices, etc.) has increased in our community and in the schools. While digital media devices are beneficial, their misuse can be disruptive to a positive learning environment and may infringe on the privacy and rights of others. If any digital media device is disruptive to the classroom environment, it will be considered a misuse of the device.

Students are not permitted to misuse digital media devices on the school campus during regular school hours. (7:30 A.M. - 2:25 P. M.). These devices will be confiscated if students are found misusing them during these hours. Cellular phones, tablets, video game devices or any other digital media device may be confiscated by any district employee at any time during regular school hours or during any school sponsored event. Students that are in the office for disciplinary reasons are not allowed to have personal media devices while they are in the office. The device will be confiscated while the student is in the office, stored in a secure area, and returned to the student when the student is allowed to return to class or at the end of the day. There may be circumstances when a device is taken away from a student by a teacher during class. Teachers may bring the device to the office where it will be stored in a secure area, and the student may pick up the device at the end of the school day. If the student has repeated offenses of the media device policy, the device will not be returned to the student. A parent or guardian will be required to meet with an administrator or counselor to discuss the misuse of devices at school before the device will be returned. Incidents will be documented and students with multiple offenses may be put on a school contract. Multiple offenses may also result in a suspension.

***T.H. Bell Junior High is not responsible for damage or theft of any personal property brought on campus. This includes phones, headphones, Airpods, etc.**

School administrators or designee may search digital media devices based on reasonable suspicion that they contain evidence of a violation of school rules or policy or if there is reason to believe the device may contain images or information that are criminal in nature. A device may be confiscated on a first offense if there is reasonable suspicion that there is information or images of a criminal nature on the device. A parent/guardian will be notified if a phone is confiscated under these circumstances.

Misuse of a digital media device may be detrimental to the learning environment and is addressed in the Weber School District Student Discipline Policy (Including Safe School Policy). The policy's purpose is to foster a safe, positive environment for learning.

Behaviors prohibited by the policy include, but are not limited to:

- Willful disobedience or violating a school or district rule (such as cheating)
- Disruptive behavior
- Defying authority
- Posing a significant threat to the welfare, safety, or morals of a student, school personnel or the operation of the school
- Inappropriate exposure of body parts
- Sexual, verbal or other harassment

EXTRA-CURRICULAR ELIGIBILITY REQUIREMENTS

Student Government Candidates must have:

- Maintained a 3.0 GPA or better for the current school year. After being elected, officers are expected to maintain a 3.0 GPA each quarter.
- No more than two “N’s” and no “U’s” total for the current school year.
- No violations of the Safe Schools Policy and/or the Drug and Alcohol Policy, or a pattern of misconduct.
- No “F’s” and maintain these standards while in office.

Cheerleader requirements:

- Only 7th and 8th grade students will be permitted to try out during the 4th quarter of the school year.
- Candidates must submit a compliance and permission document signed by a parent/guardian.
- To try out, candidates must have a cumulative 2.0 GPA average at the end of the first three terms of the tryout year (8th grade). After making the team, Cheerleaders are expected to maintain a 3.0 GPA each quarter.
- Candidates must not have a “U” or more than two “N’s” by the end of the first three terms of the tryout year (8th grade).
- Candidates may be determined ineligible if they have violations of the Safe Schools Policy and/or the Drug and Alcohol Policy or a pattern of misconduct.
- Candidates must attend all tryout clinics.

Athletic Eligibility – *To represent T.H. Bell Jr. High School as an athlete, a student must meet eligibility requirements as outlined in the Weber School District Board of Managers Policy. Those guidelines are outlined below:*

Citizenship

A student participating in junior high sports would be eligible with one “U”; or one “N” and one “U”; or two “N’s” for the previous quarter and current quarter.*

Scholastic

A student should attain and maintain a 2.0 GPA or better the previous quarter, or a cumulative 2.0 GPA computed from the four previous quarters (not semesters) and receive not more than one “F” for the previous and current quarter. The printed report card will be the basis for determining eligibility. Incomplete grades, “I”, must be resolved prior to eligibility consideration.**

Conduct

An athlete may be removed from participation for any conduct that results in dishonor to the athlete, the team, or the school. Acts of unacceptable conduct, such as but not limited to, theft, dress code violations, truancy, vandalism, disrespect, immorality, or violations of the law, tarnish the reputation of everyone associated with the athletic programs and will not be tolerated. Coaches and advisors may set higher standards which must be followed.

Due Process

If a question arises as to a student's eligibility due to something beyond the student's control & would have been eligible on any other prior term, the athlete and parent have the right to a hearing by the Standards Committee and a review by a school administrator.

Students must apply for appeal through the Standards Committee prior to tryouts. It is the student's responsibility to be aware of eligibility and apply for review with the Standards Committee in a timely manner. Students can submit an application for the Standards Committee, which will be reviewed by the administration. If the application is approved, a Standards Committee meeting will be scheduled; if an application is not approved, the student will be notified in writing. The Standards Committee will make the final determination if an ineligible student may participate in tryouts. The Standards Committee may approve the student's appeal and permit the student to try out, or they may reject the student's appeal, at which time the student would not be permitted to try out. Students that have been approved by the Standards Committee to try out are not guaranteed a spot on the team/squad. Students can go before the Standards Committee no more than 1 time per school year.

Fees

Athletes who make the team must pay the participation fees before they participate in any games. If a student is a "Redshirt" on a team, they will only pay the transportation (bus) fee.

- * *Current quarter is defined as when the term grades fall during the season.*
- ** *Grade disputes must be resolved within 7 days of grades being posted.*

Clubs and Crews

Clubs are directly related/tied to the school's state approved curricula. Therefore, they are sponsored and supported by the school/district and are fully recognized within the school.

Crews are not directly related to the school's state-approved curricula and are initiated by students enrolled at T. H. Bell. Crews are not sponsored or supported by the school or district but are recognized for purposes of granting a place within T.H. Bell Junior High School to meet during non-instructional time.

*Any proposed new Club or Crew must fill out an application and be approved by Student Government and school Administration.

STUDENT BEHAVIOR EXPECTATIONS

ASSEMBLY BEHAVIOR

Assemblies are planned for student learning and enjoyment. Students are expected to be orderly while entering the gymnasium. Students who disrupt the assembly will be removed and will not be permitted to attend the next assembly. A second violation may result in the student forfeiting their opportunity to attend assemblies for the remainder of the year.

Using, distributing, or being under the influence of controlled substances is a violation of the Safe and Drug Free Schools Policy. Violators will be required to participate in an assessment by Weber Human Services or an equivalent private assessment to remain in school and will also be subject to suspension and appropriate discipline. Students who are in violation of the drug and tobacco policies may be subject to district level discipline and/or alternative education placement. E-cigarettes are considered to be equivalent to cigarettes and are prohibited.

THEFT, EXTORTION AND VANDALISM

Any student involved in stealing, panhandling, begging, or extorting money or school or personal property may be suspended and referred to law enforcement. Any student who destroys or defaces school or personal property will be responsible for restitution and may be referred to law enforcement.

SEXUAL HARASSMENT

Sexual harassment should be reported immediately. Students found to be sexually harassing others may be suspended and/or referred to law enforcement and/or Weber School District Student Services for disciplinary action.

HARASSMENT, HAZING AND INITIATIONS

Harassment is defined as unwanted verbal or physical advances or threats. The difference between fun and harassment is how it makes the victim feel. Harassment, hazing, or initiations of any type are not permitted in school or extra-curricular activities. Students guilty of harassment of any type, threats, hazing, intimidation, or initiations may be suspended and/or referred to the school resource officer or Weber School District Student Services for disciplinary action.

ROUGHHOUSING IN THE HALLS

Shoving, pushing, running, play-fighting, and other forms of roughhousing in the halls are prohibited at all times. Students who engage in such behavior will be subject to disciplinary action.

ACCEPTABLE USE VIOLATION

Students and staff are subject to the Weber School District Acceptable Use Policy regarding access to computers and networks. Each student must agree to follow the policy on an online compliance document. Violations to the policy may result in forfeiture of computer access.

PUBLIC DISPLAY OF AFFECTION

Student displays of affection, such as kissing, prolonged hugging, sitting on the lap of another student, etc., are inappropriate in school and subject to school discipline with the administration.

HABITUAL DISRUPTIVE BEHAVIOR

A **Notice of Disruptive Student Behavior** may be issued to a student who has engaged in disruptive behavior (that does not result in suspension or expulsion) three times during
