A motion to approve dates for Community Council was moved by Patty Camp, and seconded by Karlinda Smith, voting unanimous. Dates are **Jan. 13, 2016; February 10, 2016; and March 9, 2016.**

An overview of Community Council Responsibilities was presented.

We reviewed last year's plan.

Mr. Ward discussed Digital Citizenship, which is a state law that students must have training on Internet Safety. Children's Internet Protection Act, was discussed. CIPA. This is a series of 5 lessons ranging covering examples of cyberbullying,

The Bonneville Cone Initiative was discussed, where from the junior high stand point, we are helping 9th graders be on track to graduate, and tracking attendance.

Friends Hotline was introduced, which is a hotline T. H. Bell students can text in help with things like bullying, threats, suicides etc. The students simply have to text the number on the poster.

Other business was discussed as Mr. Sherman has requested to by 40 textbooks to have in his room to help in our new Physics of Technology class. Books would be used to reference certain topics.

Mrs. Anderson has requested a SmartMusic App that goes on our Chromebooks and help aide the choir classes.

Next Meeting Jan. 13, 2016
